nextnano.QCL

Summary and introduction

- The nextnano.QCL software

Software documentation

- General remarks
- Working principle
- Input file
- Advanced settings
- Sweeping variables
- Simulation output
- Material database
- FAQ
- List of updates

Examples

- Tutorials

---

nextnano.MSB

Summary and introduction

- The nextnano.MSB software

---

nextnano++

Software documentation

- The nextnano++ software
- Simulation output

Examples

- Tutorials

nextnano³

Software documentation

- The nextnano³ software

nextnanomat

Software documentation

- The nextnanomat GUI

nextnano GmbH

- The company
